INTRODUCTION

"Necessity is the mother of invention" truly applies to the world of engineering, being technical institute it is our duty to keep the students updated about the demands of industry and enable them, to learn, to gain and to implements the subject knowledge in practical field.

Technical quiz provides the platform to final year students to update and exhibit their technical knowledge. Also they will get an opportunity to interact with students from various regions.

ABOUT US

On 19th September 1994 the foundation for the first degree college in Bhayandar was laid down in the metropolitan area of the Mira-Bhayandar with the population of 8 lacs as there was a great need of a degree college. Considering this need Mr. Rohidas Shankar Patil Corporator Mira Bhayandar Municipal Corporation took an initiative decision to start a degree college in Bhayandar. Mr. Rohidas Patil who gained name and fame in social, educational and political field when he noticed the inconvenience of the students in Mira Bhayandar. The trust started the Arts & Commerce college affiliated to University of Mumbai in the Year 1994-95 with the B.A & B.Com and the junior colleges from 1999-2000. With so much experience and success in the past years the management started the first polytechnic by the name "Pravin Patil College of Diploma Engineering & Technology" which has fulfilled a long felt need for higher technical education in this area. The Pravin Patil Polytechnic is affiliated to the Maharashtra State Board of Technical Education, Recognized by DTE Maharashtra State & approved by A.I.C.T.E New Delhi, provides Diploma Courses in Information Technology, Computer Technology, Computer Engineering, Electronics & Telecommunication, Civil Engineering, Electrical Engineering and Mechanical Engineering.
